TO: File

FROM: Frank J. Filas, Reclamation Engineer 

RE: Miracle Rock, DOE/015/018

Jerry Mansfield, State Lands and Forestry, states that Miracle Rock Mining is in the process of reclaiming the road and adit on the west end of their lease.

They have recently built a new road into the eastern portion of their lease and are developing a new adit in this area. Access to the site is from the north through the town of Emery.
